ELEVATION LIFE TRANSFORMATION™
*The University of Christ -Centered Coaching,
Leadership, & Change*

OPENING PRAYER, PURPOSE, & PARTNERSHIP

MUTE YOUR AUDIO DURING OUR SESSIONS

Here is our heartfelt Scripture-infused prayer that I ask each student for your Agreement, Partnership, and Intercession as we open the PhD 500 Series Masterclass program at Elevation Life Transformation University. Our Prayer of Partnership & Purpose with the Word honors the depth of our vision and calls forth Heaven's help in manifesting tangible fruit in every life connected to this sacred assignment.

OUR PRAYER

Heavenly Father

We come before You with grateful hearts, exalting You as our Sovereign King, our Master Teacher, and the True Source of all wisdom, knowledge, and understanding. Thank You for Elevation Life Transformation University. Thank You for calling us to raise up a generation of Christ-Centered leaders, coaches, and agents of change who will impact the world not just with words through coaching, but with power, demonstration, and transformation.

Lord, we dedicate ourselves and this PhD 500 Series Masterclass program to You. You are the Author and Finisher of our faith, and we acknowledge You as the Builder and Sustainer of this school. Unless You build the house, we labor in vain. So, we yield every part of this journey to You—from the curriculum to the classroom, from the faculty to the students, from the lectures to the learning. Breathe fresh fire upon us in every session. Saturate us and the atmosphere with Your glory.

We pray over every student enrolling in this new season. May their hearts be open, their spirits be alert, and their minds be renewed. We declare and decree this will not be an ordinary academic pursuit, but a devotion of holy encounter with divine truth, strategy, commissioning, and performance. Let us grow deeper in Christ,

stronger in purpose, and wiser in our personal and professional callings. Transform our lives from the inside out, Lord so that our coaching is not just skillful, but Spirit-led, soul-healing, and Kingdom-advancing.

We ask boldly for tangible outcomes and measurable fruit. We ask for testimonies that can be seen, measured, and shared. May transformation be evident in:

Our Personal lives – with divine clarity, emotional healing, and renewed identity in Christ.

Our Professional pursuits – with new finances, contracts, business relationships, business growth, promotions, and platforms for influence from the Kingdom of God.

Our Spiritual maturity – with increased discernment, deeper intimacy with You, and greater obedience to Your voice.

And may transformation be evident by our Deliverance – from all evil including deliverance from the sin-sick systems of the world because we are in this world, but not of it.

Let this program be a spiritual portal that opens doors to the glory of you, Father, thriving in our lives as evidenced by you elevating us, keeping us, protecting us, and making us wiser in financial increase, protection, and supernatural wisdom. We cancel every spirit of lack and declare provision from the north, south, east, and west. May every student and faculty member walk in divine abundance, knowing You are Jehovah Jireh—the God who provides more than enough as you surround us with your Glory.

Cover the university with favor. Enlarge our influence. Send destiny helpers, divine partnerships, and global reach. Let ELTU be a city SET on a hill, a training ground for spiritual kings and queens who operate in palaces—not just in pews. Make us those who are operating in godly Christ-like character, wisdom, and power all at the same time and not just operating in our gifts.

Let the results of this program speak loudly to the world—that Christ is revealed, and Jesus is glorified, moving through His people with clarity, power, wisdom, character, and purpose. And as You elevate us, Lord, keep us humble, yielded, and always hungry for more of You.

We seal these requests, declarations, and decrees in the name that is above every name—Jesus Christ, our Lord, our Lover, Our Life Coach, and our Soon Coming King.

Amen.

2025–2026

PHD 500 SERIES MASTERCLASS COMBINED SATURDAY LIVE PROGRAM

This is an incredible milestone for ELTU and a powerful opportunity to deepen the transformational impact of Christ-Centered Coaching in our lives. Here’s how we have structured your new **Christ-Centered Coach Training Masterclass**, designed for **returning graduates and new enrollees** alike. Returning graduates may earn their PhD and Master Seminar Certificate in Professional Coaching, while new students depending on where they are in their educational journey may earn their Bachelor’s, Master’s, or Doctoral degrees simultaneously in an accelerated approach!
